

Jesus My Friend

Did you know Jesus is always with us? Jesus is our friend, someone we can always talk to, ask questions, or tell our secrets. Jesus is always there to listen to us. This year as we hear more stories about Jesus and learn more about what he did, we also become better friends with Jesus. Color and cut out the Jesus below, draw your own Jesus, or find one of your own. Each month we will have activities to learn more about Jesus.
